THE NOT FORGOTTEN ASSOCIATION

A TRI-SERVICE CHARITY FOUNDED IN 1920

Christmas Appeal 2011

Dear Reader

In recent years a huge number of young men and women have been wounded or injured whilst serving in the Armed Forces of this Country. Our involvement in places like Iraq, Bosnia and Afghanistan has done much to highlight the dangers of operational service and the long term effects that can arise from it.

The aims of this Association have remained virtually unchanged since our foundation at the end of World War I. Broadly speaking, they are to provide leisure and recreation for the benefit of serving and ex-service personnel who are wounded or have sustained permanent injuries. Our work is not the normal responsibility of the Government and accordingly I have no difficulty in asking you to give as generously as you feel able to in these difficult financial times.

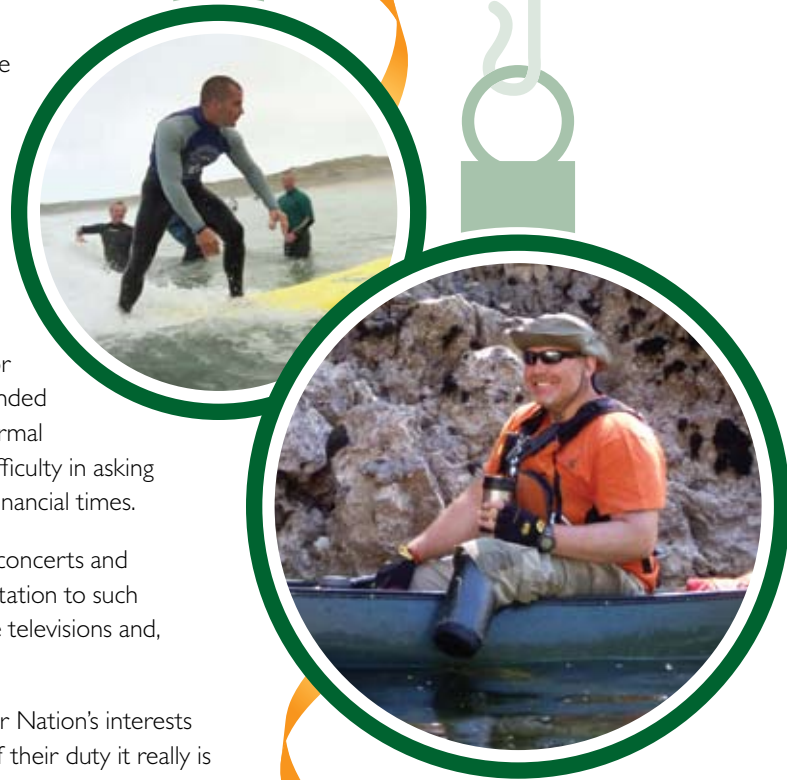

With your help we can continue to provide holidays, outings, concerts and adventurous activities which bring both happiness and rehabilitation to such deserving people. For those who are housebound we provide televisions and, where necessary, television licences.

Our Service heroes make gallant sacrifices while defending our Nation's interests and the freedom of others. When they suffer in the course of their duty it really is beholden on all of us to ensure that they, like their predecessors, are never forgotten.

Special thanks for supporting our endeavours and my warmest best wishes to you all for a very Happy Christmas and a successful New Year.

Yours very sincerely

Chairman
